TESTIMONIALS

"Her availability is endless. Her understanding of the needs of the teachers and the school are clear and she is solution oriented. She contributes to all facets of school operations in addition to staff development. Carlin is always thinking of the general well being of the school."

"The prideful classroom is student centered and buzzes with engaged learning. The overall ambiance shows a dynamic teacher and group of students."

-Francesca McNally, Principal (pre-k-7), American School of Rio de Janeiro (EARJ-Macae campus).

"Carlin is the kind of teacher who helps develop good public relations for a school. Parents want their children to be in her class."

-Jennifer Paul O'Donnell, Principal (KG-6), St. Ignatius Catholic School.

"I think it is a wonderful idea for us parents to have access to a website whereby we can liaise with the teacher, and track the progress/concerns of the child. Excellent move."

-Lorna Walton, parent at St. Ignatius Catholic School.

TEACHING EXPERIENCE (continued)

Language Arts Coordinator (PreK-6) (8/2010 - 6/2012)

- Established and evaluated goals and priorities for the delivery of language arts based on data accumulated on mid-year and end-of year benchmark assessments, and WRAP standardized writing tests
- Increased reading fluency and comprehension scores across all grades by implementing reading logs at home, buddy reading, ESL strategies, guided reading, literature circle groups, and leveled reader classroom libraries, to name a few
- Increased writing scores across all grades by conducting writing workshops on 6 Traits of Writing, and providing one-on-one coaching

ST. IGNATIUS CATHOLIC SCHOOL, Cayman Islands (9/2004 - 7/2009)

4th Grade Teacher

- Taught Language Arts, Math and Science; specialized in children with learning and/or behavioral difficulties, and children on Individual Education Plans
- Participated in SMART Board Interactive Whiteboard Certification, U.K. Guided Reading & Writing, and Wilson Spelling & Reading
- Conducted workshops on Using the SMART Board, Advanced Features of the SMART Board, and Teaching Hands-on Science

Science Coordinator (PreK-6) (9/2007 - 7/2009)

- Budgeted/procured science curriculum resources and hands-on materials
- Monitored and supported teaching and learning of science; created and administered consistent, open-ended assessments using level descriptors; trained staff on all aspects of teaching science
- Conducted professional development workshops about Hands-on Science at the Private School Conference, and at the University College of the Cayman Islands
